The Registrar of the
Chief Court of Mysore

To,

The Chief Secretary to the
Dewan of Mysore.

Sir,

I am directed to bring to the notice of Government, the absolute necessity that exists for the strengthening of the Record Department attached to the District Court at Mysore.

2. The accompanying statement shows the number of cases disposed of in each Division, during the past 3 years, and it will be seen therefrom, that the total number of cases disposed of in the Standi-droog and Ashtagram Divisions, are nearly equal; the District Court at Mysore has no separate establishment attached to it, while the Central Record Department at Bangalore, has an establishment as specified in the margin.

		Rs.
1	Record Keeper	50
1	Deputy Record Keeper	25
1	Asst. — do —	15
1	Office Peon	10
× 1		

The work of the Central Records at Mysore is done by the Record establishment of the District Court, which consists of two Record Keepers and a Drafterbund. Owing to the insufficiency of this establishment at Mysore, arrears of work have unavoidably accumulated and to clear them off, it was found indispensable to employ temporary hands from time to time, as the marginally quoted Pro. [x] Proceedings of the Government will show. And during the last Recess, Munshies were deputed from several Courts to assist in clearing off the arrears, and yet there remain 46,000 cases of previous years to be assorted.

[x] Pro: No 2640-1/60 dated 25th July 1884.

" 3827-8/42 dated 7th August 1886
" 5415-16/37 dated 14 December 1887
" 4879-80/3-93 dated 12 September 1893

4. The District Judge is of opinion, for reasons stated in his letter No 949/199 dated 11th May 1894, copy of which is enclosed, that the present establishment is utterly inadequate for the work required to be done by it, and that it is absolutely necessary that it should be strengthened by the addition of an Assistant Record Keeper and a Drafterbund, on Rs 15 and 10 respectively, and I am to recommend that the proposed increase of establishment,

which

which is extremely moderate and very necessary, may be sanctioned as early as possible.

5. A proposition statement, in the prescribed form, is herewith submitted.

Your most obedient Servant.

No 949/199

District Judge's Court
Mysore 11th May 1894.

From

The District Judge
Mysore

To,

The Registrar of the
Chief Court of Mysore
Bangalore.

Sir,

I have the honor to report that in accordance with the Chief Judge's suggestion conveyed in your No 4428/402 of the 14th March 1894, one official from each of the Subordinate Courts and almost the whole of the District Court's establishment, 32 in all, were engaged in trying to bring up the arrears of the Central Record Room during the last vacation, working from early morn until dark under the energetic supervision of the District Court Sheristadar, and they succeeded in accomplishing the following work

A file papers separated in 40,000 Cases
B. file ——— do ——— 12,330 ...
Lake Sudder Amins' and
Taluk records to be sorted 80,000

Records that had hitherto remained

unexamined

unexamined were compared up to date.

There still remain however 21,000 cases in which A files have to be separated and 25,000 Taluk records to be sorted

The so called arrears are not the result of past carelessness or neglect, but arise from the accumulation of masses of old records which has been going on from a period long anterior to the institution of the Central Record Room on its present basis, and so the number of cases of all kinds filed and disposed of is annually increasing the present establishment consisting of 2 Record Keepers and a Duftaribund, is simply out of proportion to the work required to be performed by them, and it is, I submit, absolutely necessary that another Assistant Record Keeper and an extra Duftaribund, on Rs 15 and 10, respectively, should be permanently appointed in order that something like an up-to-date system may be maintained.

I should be the last person to urge extra expenditure were I not thoroughly convinced of its absolute

necessity

necessity, and I beg therefore that the early sanction of Government may be obtained to the very moderate extra Establishment now applied for.

I have etc.

Sir,

I have the honor to invite your attention to this Office letter No. 949 of the 15th May last, and to state that the additional establishment therein applied for is absolutely necessary, owing to the ever increasing nature of the work in the Central Record, and the extreme difficulty of maintaining an up to date system of work. I request, therefore, that early sanction

of

of the Government may kindly be obtained for sustaining the additional establishment from the 1st January 1895, if possible.

I have, &c.,
